SUBJECT: Second DOE-ME Membership Report for all Corporations and Charter Schools

IC 20-43-4 requires school corporations to submit three Membership Report counts each school year. The second count for the 2009-2010 school year is Tuesday, December 1, 2009. This is an ADM count only (no Voc30A count), and is submitted through the Application Center on the ME report. Please be sure your building level personnel and technology area are aware of this count.

The data layout for this submission may be found at the following web address: http://www.doe.state.in.us/stn/Sections/ME/Membership.html. This layout document contains valuable information on each ADM type and should be used as reference to assure all students you are eligible to count are included in your count. The timeframe for the submission of this data is between December 1, 2009, and December 11, 2009. The sign-off period will run from December 11, 2009, until midnight December 18, 2009. You are required to print, sign and mail us a hard copy of your corporation's report. The printable view option that contains signature lines will not be available to schools until the end of the conflict resolution/cleanup period.

The DOE-ME Membership Report data layout link is a good source of information related to student counts. Please refer to that for other membership type questions, or call toll free at 866-234-1414 or local at 317-232-0840 if you have questions.
